

## INFORMATION ON THE PROTECTION OF PERSONAL DATA

### Privacy

### policy

In compliance with the provisions of current legislation regarding the protection of personal data (Regulation EU 2016/679, of April 27) we would like to inform you that any personal data provided will be processed by the University of Zaragoza as the entity responsible for this data treatment, being the Manager the competent authority in this matter (Paraninfo Building 1st floor, number 4 Plaza de Basilio Paraíso, 50005 Zaragoza). You can exercise your rights of access, rectification, erasure, opposition or portability before the Manager, clearly indicating the reason for your request along with a copy of your identity document. The request may be made in paper format or by electronic means.

If you think that we haven't processed your personal data as required by law, you can contact the Data Protection Officer at the University of Zaragoza ([dpd@unizar.es](mailto:dpd@unizar.es) Telephone number + 34 876 55 36 13) or the Spanish Agency of Data Protection (AEPD) through the forms provided for this purpose and accessible from its website <https://sedeagpd.gob.es>

As responsible, the University informs you that it will only process the personal data that you facilitate to fulfill the following purposes:

Management of the organization and assistance to the various academic, scientific, cultural events, public events, meetings and conferences organized by the University of Zaragoza or some of its Centers, Departments, Research Institutes, Other Centers, Services or Units.

- Economic and administrative management of said events.
- Development management, communication and dissemination of events both among the attendees and, where appropriate, the rest of society.

The University is legitimized to deal with this data, as well as the requirements for the execution of the legal relationship stated between you and the University as an assistant to the event so that it can meet its legal obligations established in the Organic Law 6/2001, of Universities.

The University will communicate the personal data that are indispensable to the following categories of recipients:

- To the banking entities for the management of payments and collections.
- To public or private organizations in the framework of the conclusion of collaboration agreements or contracts, within the framework of the data protection law.
- To the academic, administrative and communication services of the university itself.

Your personal data will be processed and maintained by the University only until they are no longer relevant or necessary for the purpose for which they were collected, then becoming part of the University Historical Archive, after expurgation, in accordance with the provisions of the legislation on Historical Heritage.

**The University of Zaragoza has a Data Protection page that includes legislation, information and models in relation to the Protection of Personal Data to which you can access from the following link: <https://protecciondatos.unizar.es>**
